| 10/10/22 - 10/17/22 | Work Item(s) | Hours Available to Work | Hours of Work Taken |
|---|---|---|---|
| Sierra Harris | I will work on the High Level design | 12 | 12 |
| David Chan | I will work on 8 hours of the High Level Design and 4 hours of the Network Diagram. | 16 | 12 |
| Bryant Lam | HL Design | 8 | 8 |
| Abhay Solanki | No work this sprint | 0 | 0 |
| Faisal AlMuharrami | review and finish up HLD | 10 | 10 |

# Sprint 3 Daily Stand-ups

| 10/10/22 | Are you blocked? | What did you do yesterday? | What are you going to do today |
|---|---|---|---|
| Sierra | No | I did nothing | Sprint planning and research for High level design |
| David | No | I did nothing yesterday. | I will be researching architectures to rebuild the high level design. |
| Bryant | Yes | Nothing | Nothing |
| Abhay | Yes | | |
| Faisal | no | i did nothing | research and add more to network security |

| 10/11/22 | Are you blocked? | What did you do yesterday? | What are you going to do today |
|---|---|---|---|
| Sierra | No | Research and sprint planning | Swimlane Highevel diagram |
| David | No | I researched architectures and decided to go with add MVC architecture to the current layered achitecture. | I will change the diagrams and add more information on why we chose our architecture. |
| Bryant | Yes | Nothing | Nothing |
| Abhay | Yes | | |
| Faisal | No | research and add more to network security | work on HLD |

| 10/12/22 | Are you blocked? | What did you do yesterday? | What are you going to do today |
|---|---|---|---|
| Sierra | No | Swimlane  Highlevel Diagrm | Research layered architecture and MV* design and update swimlane diagram and architecture plan |
| David | No | I changed the achitecture diagrams and added more information on why we made our choices in high level design. | I will fix the parts the professor said was incorrect in the  high level design. |
| Bryant | No | Nothing | Fix details in HL Design |
| Abhay | Yes | | |
| Faisal | No | Worked on HLD | review HLD |

| 10/13/22 | Are you blocked? | What did you do yesterday? | What are you going to do today |
|---|---|---|---|
| Sierra | No | Update swimlane diagram and architecture plan section | Nothing |
| David | No | I removed and added some parts to input validation, security, and error handling. | I will change the diagrams again becuase we had it wrong and redoing our bounded context for microservices. |
| Bryant | No | Fix details in HL Design | I will add and continue to fix details in the HL Design |
| Abhay | Yes | | |
| Faisal | no | reviewed HLD | review |

# Sprint 3 Retrospective

| 10/10/22 - 10/17/22 | Did you finish? | What did you do well? | What went wrong during the sprint? |
|---|---|---|---|
| Sierra | Yes | I contributed to the productivity of the group and HLD | Version 2 of the high level design doc was a bit rushed |
| David | Yes | I think I was efficient at working on the network diagram. | The high level design document was sort of difficult becuase there was a lot of changing and erasing work repeatedly. |
| Bryant | Yes | I contributed to fixing confused wording, grammatical errors, and improved the overall outlook of the HL Design | Did not make incremental progression because of lab assignments from other classes. |
| Abhay | No | N/A | Due dates for other class made me from working this sprint. |
| Faisal | Yes | I contributed to the HLD | I was blocked because i had to do other work that is important |

| 10/10/22 - 10/17/22 | If not finished what were the tasks that are uncompleted? |
|---|---|
| Sierra | |
| David | N/A |
| Bryant | N/A |
| Abhay | N/A |
| Faisal | |
