Sprint 5 Planning

10/26/22 - 11/2/22	Work Item(s)	Hours Available to Work	Hours of Work Taken
Sierra Harris	LL Design Sequence Digrams for Registration and Logging	10	8
David Chan	I will try to finish unit testing core requirements for logging and work unit testing for registration.	10	8
Bryant Lam	LL Design Sequence Diagrams for Registration and Logging	16	16
Abhay Solanki	Researching ways of implementing a logger	5	5
Faisal AlMuharrami	Logger research and implementation	2	2

Sprint 5 Daily Stand-ups

10/26/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Sierra	No	Nothing	Nothing
David	No	I made a few more unit test to test logging valid log level and categories.	I will try to finish all the core requirents for logging unit tests.
Bryant	No	LL Design Sequence Diagrams for Features	LL Design Sequence Diagrams for Features
Abhay	Yes	N/A	Research ways of implementing an logger
Faisal	Yes	nothing	research registration

10/27/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Sierra	No	Nothing	Work on LL Diagrams
David	No	I finished all the core requirements for logging unit test.	I will start to work on the unit test for registration.
Bryant	No	LL Design Sequence Diagrams for Features	Nothing
Abhay	Yes	Watch a tutorial on logging with serilogger	N/A
Faisal	yes	research on registration	read core requirments and do research

10/28/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Sierra	Yes	Work on Sequence Diagrams	Ask question about the logging design and update it
David	No	I created unit test for registration for checking constructors, valid email, valid OTP, and unique username.	I will be out of town unable to work.
Bryant	No	Nothing	Research Logging and work on LL Design Sequence Diagram for Logging
Abhay	Yes	N/A	N/A
Faisal	yes	read core requirments and research	nothing

10/29/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Sierra	no	Update logging design	Nothing
David	No	I was out of town unable to work.	I will be out of town unable to work.
Bryant	No	Researched Logging and worked on LL Design Sequence Diagram for Logging	Continue working on Logging Sequence Diagram
Abhay	Yes	N/A	N/A
Faisal	yes	nothing	nothing

10/30/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Sierra	Yes	nothing	Ask questions about the LL design and update it
David	No	I was out of town unable to work.	I will be out of town unable to work.
Bryant	No	Worked on Logging Sequence Diagram	Continue working on Logging Sequence Diagram
Abhay	Yes	N/A	N/A
Faisal	yes	nothing	nothing

10/31/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Sierra	no	Update the LL design	Nothing
David	No	I was out of town unable to work.	I will try to finish the registration core requirements unit tests.
Bryant	No	Worked on Logging Sequence Diagram	Continue working on Logging Sequence Diagram and fix Registration Sequence Diagram
Abhay	No	N/A	Researching logging with Microsoft ILogger/Logger
Faisal	No	Nothing	Nothing

11/1/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Sierra	Yes	Nothing	Work on the Registration LL Design
David	No	I finished the registration core requirements unit test.	I will try to make more unit tests for things that could go wrong in registration.
Bryant	No	Worked on Logging and Registration Sequence Diagrams	Continue working on Registration Sequence Diagram
Abhay	No	Watched an tutorial on to use Microsoft.Extentsions.Logging	Implementing a registration console app
Faisal	no	nothing	nothing

11/2/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Sierra	No	Worked on the LL Registration diagram	Implement Registration
David	No	I made more unit tests for things that could go wrong in registration	I will try to make more unit test for what could go wrong in logging.

Bryant	No	Worked on Registration Sequence Diagram	Make the Registration Sequence Diagram more descriptive
Abhay	No	Watched and implemented a tutotial to use EF core along with context, and migrations to do Data Access	Implement Registration
Faisal	no	nothing	nothing

Sprint 5 Retrospective

10/26/22 - 11/2/22	Did you finish?	What did you do well?	What went wrong during the sprint?
Sierra	No	Start on implementing core requirements for	Lack of finishing assigned work
David	Yes	I did well making the unit tests for both logging and registration.	I had to go out of town for the weekend so I lost almost half the sprint to being out of town.
Bryant	No	Understood how to create a complex sequence diagram with interactions between two actors	Misunderstood the current goal of LL Design. Worked on Sequence diagrams for features, when it was only Registration and Logg
Abhay	No	Did good research on logging and got a basic understanding of implementation.	Picked up a new task, Registration, which was unfinished at the end of sprint.
Faisal	no	did research for core requirments and registration	burnt out from other classes

10/26/22 - 11/2/22	If not finished what were the tasks that are uncompleted?
Sierra	LL Design for Registration and Logging and Implementation
David	N/A
Bryant	LL Design Sequence Diagrams for Registration and Logging
Abhay	Registration Console App
Faisal
